Make it Happen Promotion

You definitely have a plan; a plan to renovate your house, buy a car, start your business or even travel on holiday. Whatever your plan, there is something in the Make it Happen Promotion for you to bring it to reality in three simple and easy steps.

Three easy steps to win GHS100,000 in the Make it Happen Promotion

1. Deposit GHS300 into your new or existing Barclays account
2. Grow it over 3 months to GHS1,000 or more
3. Maintain it to qualify for the Grand Draw and you could win GHS100,000

Consolation prizes include an LED TV, washing machine, tablets and a mobile phone. That's not all.

Three Monthly Draws

You could also have your account balance doubled in our monthly draws. To qualify, maintain your minimum deposit of GHS300 for a month to earn an entry. 10 customers will have their account balances doubled, up to GHS10,000 every month before the grand draw.

The more you deposit, the higher your chances of winning.

The GHS100,000 could be yours, so make it happen.

Campaign ends on December 31 2014.
